We Make Paving Easy!

**TrailRider™**  
Slipform Paver

- ☀ Quality
- ☀ Easy
- ☀ Fast

## Pre-Screened Feature of the TrailRider Paver

The TrailRider™ slipform paver makes placing pervious concrete easy and fast. Subgrade imperfections from truck ruts to inadvertent grade flaws are wiped out just ahead of placement for excellent grade and concrete volume control. Evolution Pervious & Paving Resources 503-932-0157 California 415-852-0368 [www.evolutionpervious.com](http://www.evolutionpervious.com)

While not designed to finish grade your base rock it is an excellent tool to remove ruts and other base imperfections before placing the pavement.
